Thank You

Your commitment to your country to serve in the military included a blank check to send you anywhere and if needed place you in dire risk of life and limb. **You served with Honor.**

Some never left the states, some gave more than others, and our fallen gave the most. Your completion of duty was under honorable conditions.

These credentials place you in a group of American Veterans recognized by congress in 1944 as AMVETS. We at AMVETS Post 90 wish to thank you and encourage you to continue serving with Honor by joining our Post. We need you.
